**WeR1 Consultants Pte Ltd:** rachaeldefoe@wer1.net and maybarza@wer1.net

Jay Stephenson

**COMPANY SECRETARY**

**About Holista CollTech Ltd (HCT)**

Holista CollTech Ltd ("Holista") is a research-driven biotech company and is the result of the merger of Holista Biotech Sdn. Bhd. and CollTech Australia Ltd. Headquartered in Malaysia, Holista is dedicated to delivering first-class natural ingredients and wellness products and leads in research on herbs and food ingredients

Holista, listed on the ASX, researches, develops, manufactures and markets "health-style" products to address the unmet and growing needs of natural medicine. It is the only company to produce sheep (ovine) collagen using patented extraction methods, and is on track in nanonising and encapsulating liposomes for the ovine collagen.

### About VERIPAN AG

VERIPAN AG is the largest independent supplier of specialty bakery ingredients based in Europe and was founded in 1992 by three entrepreneurs, being the perfect combination of Research & Development, Production and Sales. Meiert J. Grootes and René Burgermeister are major shareholders of Veripan through their stake in the Swiss Panadoro Group, which is actively developing and implementing pioneering innovations for customers in the global food industry. Chairman and CEO Meiert J. Grootes originates from a family of chocolate manufacturers, representing its seventh generation in the food business.

Veripan is the food design/think tank for the European bakery industry and has the know-how to capitalise global market developments. Veripan specialises in innovative food products, food design and food engineering by creating the next generation of foodstuffs through improved nutritional value, taste, and presentation by the development of new ingredients, recipes and technologies. It is able to supply clients a wide range of tailor-made products that reach new market segments across the globe. Veripan's main manufacturing hub is located in Switzerland, and also has production facilities in Malaysia, Australia and several European countries. This footprint allows Veripan to adapt products to regional raw materials and local tastes.
