Holista CollTech's US subsidiary, Holista Foods, has secured a US\$250,000 (A\$320,398) order from Wing's Food Products to supply a patented mix for low GI noodles.

Initial shipment will begin from Malaysia starting end February 2018 and subsequent shipments will be from Canada and India.

First year order is confirmed at US\$6 million; orders projected to rise to US\$12 million in 2019 and US\$25 million in 2020.
