## HOLISTA COLLTECH: LAUNCHES BIOESQUE DISINFECTANT

- Holista CollTech (HCT) shares have risen after launching its Bioesque disinfectant, which listed on the Environmental Protection Agency’s ‘List N’
- Bioesque is a natural disinfectant that kills COVID-19 in buildings
- Products listed on List N have met the criteria for use against SARS-CoV-2, the virus that causes COVID-19
- Currently, Path Away and Bioesque are the only two disinfectants that have approved by GICC for use in the M3 System
- Bioesque will also use in Global Infection Control Consultants’ M3 system, which will integrate into buildings ventilation
- On the market today, Holista is up 16.7 percent and trading at 7.7 cents per share
