Dear Mr. Martin:

Path-Away All Purpose Solution

Thank you for submitting your enclosed label for our Department to review.

It is the opinion of the California Department of Pesticide Regulation (DPR) that your product, Path-Away All Purpose Solution, qualifies as a minimum risk pesticide as defined under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 25(b), outlined in title 40 of the Code of Federal Regulations (CFR), section 152.25, and in title 3, California Code of Regulations section 6147.

Any future changes made to the label could revoke the exemption. As of the date of this letter, this product is not registered in the State of California. The Department of Pesticide Regulation in no way endorses the use or sale of this product.

Please do not hesitate to contact me with any further questions.

Sincerely,
